

**Actihire**

Partnering with schools  
Powering communities

[www.actihire.org.uk](http://www.actihire.org.uk)

## 40+ years of school lettings expertise

Actihire takes away the hassle of community lettings, managing every aspect of school, academy and college facility hire for you including:

- Staffing during community bookings
- Marketing and promotion of the facilities
- Dealing with all customer queries, online bookings and payments
- Ensuring all safeguarding and health and safety regulations are in place and followed
- Developing a lettings programme that meets the needs of individual schools

Actihire is made up of the most experienced and qualified school lettings team in the UK. A bold claim right? But with over 40 years combined experience of being directly employed by schools and in the community lettings sector too, **we really do get schools** and understand that education always comes first.

**Save 30 to 60 hours  
of your staff's time  
per week and  
outsource your  
lettings today**

Schools are busy places and running a dedicated and profitable lettings programme can often be difficult to pull off - we know because we've worked in schools and have tried it!

Let us take the pressure off by providing you with a fully managed local lettings service you can trust.

8

**reasons we're a  
partner you can  
be proud of**

## 8 reasons we're a partner you can be proud of

### We make you money

We drive revenue into your facilities using digital marketing techniques, online bookings and our well-established hirer partner network

### We save you time

You literally don't do anything when it comes to lettings. We open and close, we speak to hirers, we issue invoices and process payments, we clean and tidy when we're done – we do it all

### We build strong onsite teams

We use the latest HR technology to recruit, train and deploy a skilled and passionate team to represent your school when the community access your spaces

### We don't tie you in

We operate a 3 month get out clause with no tie-in, so if after starting working with us Actihire isn't right for you, we can part ways quickly and without penalties or clawbacks

## 8 reasons we're a partner you can be proud of

### We know you're special

You're not like other schools and we get that. That's why we create a bespoke development plan for every school during our onboarding phase

### We've been employed by schools too

We have a combined 40+ years experience of working directly in schools and leisure. We understand schools and so can understand you and what you need

### We strengthen community relationships

Local people are the heartbeat of any lettings programme and what better way to show future pupils what you have to offer than by proactively hiring out your facilities

### We're local

Actihire doesn't operate nationwide and we're proud of that. Instead we work with a select number of schools in key areas to become a trusted partner to you and the local community

# Already working with local schools and employing teams in the following areas

- Midlands
- Yorkshire
- Merseyside
- Greater Manchester
- Derbyshire
- Staffordshire
- Nottinghamshire

Community-use made simple  
[www.actihire.org.uk](http://www.actihire.org.uk)

*“We chose Actihire because they aren’t a large-scale national operator working with lots and lots of schools. Instead, they have quickly built strong local relationships with both our school staff and the community – they’re a partner you can trust.”*

**Craig Selby, Premises Manager**

*“The booking process is excellent and we really enjoy using the school facilities for our training matches.”*

**Mandy Hobson (Sirens Netball Club),  
Hirer**

# Supporting communities to do the things they love

We're on a mission to improve social value in our communities and support schools to open their fantastic spaces for the benefit of local people.

We don't just talk about bringing communities closer together either.

**We give 5% of our profits back** in the form of grants and donations to grassroots sports and other community projects.

# How to get started

We work at no cost to you and operate a simple income-split model based on the revenue generated from your lettings programme.

Kicking things off is quick and easy:

Contact us to arrange an introductory meeting so we can understand what you're trying to achieve from potentially outsourcing your lettings programme

We will then create a no-obligation proposal free of charge which contains detailed research into your local area and realistic financial projections on the possible returns for your school

If you like what you see an agreement can be issued within 24 hours of our partnership being agreed and your school lettings can be onboarded and handed over to us in 6-8 weeks

*“The solution that works! Actihire have worked tirelessly to ensure the needs of the community and disability groups have been met.*

*Their staff work around our requirements at all times, making the facilities an asset to both the college and the community.”*

**Billie-Jo Woodiwiss,  
Campus, Housekeeping and  
Transport Services Manager**
